D-How to Manage Your Jumbodium Account?

After your Jumbodium Profile has been successfully created, logging in to your account takes you to the **DASHBOARD** as shown below.

You can view the total number of applications received under "**Apps. Total**" circled in Black.

"**Inactive Balance**" figures, circled in Yellow, tell you your total receivable amount.

"**Apps. Active**" figures, circled in White, tell you the number of applications for which you have received payment.

"**Active Balance**" figures, circled in Orange, tell you the total amount you have received from the active applications.

"**Application Chart**", as circled in Purple, shows you a graph of **Selected**, **Rejected**, **On-Hold** & **Admitted** applications. The graph related figures and **Recent Applications** can be viewed in the section below the chart as outlined in Pink.
