

Know Your Dashboard

You will reach your dashboard once the Jumbodium account is successfully logged in.

The detailed information of the Dashboard is provided below:

- 1. Announcement & Notification-** Reflects all the school related details that you will subscribe to.
- 2. Active Balance-** Reflects the usable balance in the account that can help you to apply for applications.
- 3. Inactive Balance-** Reflects the balance that has already been recharged in the account but not yet cleared from the bank. Once the balance gets cleared from the bank itself, then it will get reflected in the Active Balance and the amount will be completely usable.
- 4. Total and Selected-** The Total option reflects the total number of applications that you have applied for and the Selected option shows the total number of applications that has already been selected by school.

All the above mentioned options are reflected below with blue circles:

The screenshot shows the JumboDium parent dashboard. The user is identified as Shyamal Sen, Parent. The dashboard features several key sections:

- ANNOUNCEMENT:** A green box with the text "Class Ten Admission Will Start Soon" and "Class Ten Admission will start Soon from 5th November 2014".
- NOTIFICATION:** A green box with the text "Start Admission in class Ten, Day section for 2014-2015 session from 2014-11-05 to 2014-12-31".
- Active Balance:** A red box showing a balance of 4650.
- Inactive Balance:** A teal box showing a balance of 0.
- Total Application:** A blue box showing 1 application.
- Selected Application:** A light green box showing 1 application.
- Student Application Summary:** An orange bar showing 1 application for Shyama Sen and 0 for Debnath Panda.
- RECENT APPLICATION:** A table with the following data:

| Applicaton No | Student Name | School Name | Apply For | Status |
|---------------|--------------|-------------------|-----------|----------|
| APP37 | Shyama Sen | New Modern School | One | Selected |

The left sidebar contains navigation options: Home, School Listing, View Wishlist, View Saved Application, Recharge, Recharge History, Payment History, Add Student (circled in blue), and View Students. The "Add Student" option is highlighted with a blue circle.
